Recommendation Letter

To whom it may concern

Student Name: NAMKHAINYAMBA DELGERSUREN

It has been a pleasure to know Mr. NAMKHAINYAMBA DELGERSUREN for two years through my role as his supervisors.

Mr. NAMKHAINYAMBA DELGERSUREN was engaged in research on Mechanical Engineering in the academic year 2020 and wrote a graduation thesis titled 'Research on failure diagnosis and prediction of industrial machinery'.

Mr. NAMKHAINYAMBA DELGERSUREN was a diligent student having acquired high skills to carry out research activities, based on firm basic knowledge in the field of Mechanical Engineering.

I recognized that Mr. NAMKHAINYAMBA DELGERSUREN also has excellent communication skills through his explanation about research progress.

Mr. NAMKHAINYAMBA DELGERSUREN shows strong interest in Mechanical Engineering and desire to contribute Mongolian industry utilizing his skills and knowledges which had been developed through his intensive two year's study at Nagoya Institute of Technology.

I would like to highly recommend Mr. NAMKHAINYAMBA DELGERSUREN without any reservation and fully support him in order to realize his aspiration. I am confident that an enterprise hiring Mr. NAMKHAINYAMBA DELGERSUREN in Mongolia will reap great benefit from his excellent work, which also will bring the Mongolian future society in abundant fruits. Please give him a chance to be employed in your company.

Sincerely yours.
